## Here's the way to get to Tulleevin Farms . . .

Those who plan to attend the sale at Tulleevin Farms on Saturday, March 21, and the National Polled Shorthorn Congress on Monday and Tuesday, March 23-24, will find that the comfortable drive from Franklin, Ohio, to Springfield, Illinois, will take them through wonderfully interesting country. Famous Polled Shorthorn herds are located along this route and with Sunday open for the drive, stops can be made and the trip can be both pleasant and profitable. We will arrange auto transportation for all who do not drive their own cars.

The telephone number at  
Tulleevin Farm is . . .

Lebanon, Ohio — 3-1119

# General Information - - -

**Location:** This sale will be held in our heated sale pavilion at Tulleevin Farms, formerly known as the South & Gallaher Farms, at Franklin, Ohio. The farm is located on State Road 122, eight miles East of Middletown, Ohio. The location is midway between Dayton and Cincinnati and there are airports at each of these cities. Frequent buses run between these two points or we will gladly meet sale day guests in either city if advance notice is given.

**Time:** The sale will start promptly at 12:30 p.m., Eastern Standard Time on Saturday, March 21, 1959. Lunch will be served at the farm.

**Headquarters:** Since visitors will be driving to the sale from various directions, we will give a choice of stopping points. We highly recommend the following:

Downtown Motel, 115 North Broadway, Lebanon, Phone 2-1766.

Lebanon Motel, 3 blocks South on U. S. 42, Lebanon, Phone 3-2776.

Golden Lamb Inn, 27 South Broadway, Lebanon, Phone 4-2015.

Manchester Hotel, Manchester & Broad, Middleton, Phone Garden 2-5481.

**Study the Map:** For the convenience of visitors we have printed a map on the opposite page.

**Transportation:** Those coming by train or plane should route themselves either through Cincinnati or Dayton. We will be glad to meet sale guests in either city if notified in advance.

Those unable to be present and who desire to do so may send buying orders to any of the following men, all of whom will be in attendance:

Hal Longley, The Shorthorn World, 16 South Locust Street, Aurora, Illinois.

H. W. Walker, Eastern Representative, The Shorthorn World, 3906 East 71st Street, Indianapolis, Indiana.

Kenneth Fulk, Secretary, American Shorthorn Breeders' Association, Live Stock Exchange Building, Omaha, Nebraska.

**Auctioneers:** C. D. Swaffar and Ned W. Place.

Hal Longley, Sale Manager, 16 South Locust Street, Aurora, Illinois.

In her stall at the 1958 Mid-South Fair at Memphis after winning grand championship in horned competition, **Tulleevin Countess A 1 x**, was admired by thousands. This daughter of the International grand champion S & G Admiration x was bred and exhibited by Tulleevin Farms.

## For those who seek security!

It was a fortunate day for the Polled Shorthorn breed when Dan O'Connor, Jr. and Charles South formed the partnership that is now Tulleevin Farms. Their plans were big, their aims were high. The program has been followed exactly as originally outlined with results beyond the expectations of all who are engaged in the industry. When the three great herds maintained at Landen Farms, Tulleevin Farms and the South & Gallaher Farms were combined to make today's Tulleevin Herd, the strongest blood of the breed was represented and a source of supply was provided that has few equals in the world. No herd can claim a greater percentage of the blood of International champions.

Few herds can provide a wider selection. That these facts are recognized and appreciated was clearly indicated when critical buyers from seven states and one foreign country absorbed the first sale offering a year ago.

This is the second annual sale. All who have inspected the offering agree that it is stronger. Again the get and service of two International grand champion bulls and one International reserve grand champion bull will be the feature.

All buyers are alike in their desire to acquire individuals of top form. Too often, however, knowledge is lacking in those things that insure the ability to reproduce in kind. To insure progress and premium prices for future productions, investments are safe only if each foundation animal is backed by the correct combination of individuality, pedigree and evidence of good-doing ability. There is security in this sale offering. The cattle are right. The pedigrees are exceptionally strong. And behind these cattle are men of highest integrity.

In my opinion those who bought in the sale a year ago got a lot for their money. No matter what prices prevail at this Second Annual Sale, I am certain the investments will be sound. With security behind each animal, this is a sale where well established breeders can acquire improvers and where beginners may buy with a feeling of safety.

Jim Adams, director of the Polled Short-horn Society, at the right, presents the reserve grand champion female trophy to Charles South and Dan O'Connor, owners of the Tulleevin Herd, at the 1957 International Show. The honor was won on the sensational heifer L F Lavender Lady x, a daughter of the 1954 International grand champion, L F Fascination x.

## We look forward to seeing our friends - -

The fine attendance at our first sale last year made the occasion so gratifying to the Souths and the O'Conors that we have looked forward all year to the second Tulleevin sale. We extend a cordial invitation to you to come again on March 21, or, if you were not here before, come and get acquainted.

We have continued our efforts to improve the Tulleevin herd of Polled Short-horn cattle. Our herd has remained the same size, but during the year we have replaced some of our cows with carefully selected purchases from other herds. Some of these additions are polled, some are from top Scotch bloodlines. Our senior herd sires are backed up by two young bulls, one polled and one horned. We are offering the service of all of these bulls in our sale.

We took our show herd to a few more shows in 1958, and again had a successful season. Some of the younger show cattle will be retained to exhibit again in 1959, some are retained for herd replacements. However, we want to share our top productions with you, and you will find both bulls and heifers from our 1958 show winners in this sale offering.

We have selected the sale cattle with care, and have made every effort to present them in pleasing condition. We believe they are a better lot of cattle than we offered last year. Whether or not you are inclined to buy at this time, come and look them over. Come the day before for a leisurely inspection of the breeding herd. We look forward to seeing our old friends at Tulleevin, and hope this occasion will bring many new ones as well.

D. J. O'Connor, Jr.

Charles South

The Charles South family, snapped in front of their home at Tulleevin Farms. From left to right: Steve, Gwen, Jane, and Charles.

Ian Alexander, Australian visitor, is shown at left looking at two of the Tulleevin Farm's show bulls, **L F Fascinate x**, grand champion at the New York State Fair, and **S & G Prince Charles**, first-prize senior yearling at the Ohio State Fair. Robert House and Dale Ketron are at the halters. Both bulls were purchased later by New Zealand breeders.

## AN INTERESTING REPORT FROM OVERSEAS

(Reprinted from the January 1, 1959 issue of The Shorthorn World.)

### **S & G Prince Charles x Doing Well in New Zealand**

When breeders from the countries on the other side of the world visit North America for the purchase of buying seed stock, they usually select our best. Because it is easy to lose track of these animals after delivery to far away countries, we welcome letters from the owners. From New Zealand comes a letter from Miss Elizabeth Brown of Weldon Downs, Scargill, R. D. 3, Amberley, North Canterbury, daughter of W. H. Brown, who purchased S & G Prince Charles x, two-year-old son of the International grand champion S & G Admiration in the Tulleevin Polled Shorthorn Sale last March. This interesting letter, addressed to D. J. O'Connor, Jr., co-owner with Charles South of the Tulleevin Herd at Franklin, Ohio, reads as follows:

"My father, W. H. Brown, has asked me to give you a progress report on the bull, S & G Prince Charles x, which he bought from you.

"Prince Charles arrived at our farm almost a fortnight ago after spending thirty days in quarantine on an island in the Auckland Harbour with the other

eight bulls in the shipment. With the others he was taken by horse float as far as Palmsstan North and then he continued to Christchurch by freight plane. The remaining 50 miles here to Scargill he travelled by truck.

"Mr. Brown feels that Prince Charles has more than come up to his expectations and he is very pleased indeed with him. The bull appears to have travelled well and when Mr. Brown saw him in Auckland he found him in excellent condition — as he still is.

"Prince Charles will be mated this year with 25 Shorthorn cows and we look forward with interest to the arrival of his first crop of calves.

"My father will always be interested in Tulleevin Farms and would appreciate any information you could send him at any time.

I remain yours faithfully,  
Elizabeth Brown"

S & G Prince Charles x was a member of the Tulleevin show herd. As a senior yearling he won first prize at the 1957 Ohio State Fair, first at Harrisburg, Pennsylvania, and second at the Eastern National Exposition in mixed competition.

Right — **L F Fascinate x.** This son of the International grand champion L F Fascination x was purchased in the first annual Tulleevin Sale at \$4,000 by Dalgety & Co., agents for Dysart Bros., Seddon, New Zealand. He was the first prize junior yearling and reserve junior champion at the Ohio State Fair; junior and grand champion at the New York State Fair; second prize at the Pennsylvania Livestock Exposition; second prize at the Eastern National in horned competition; and third prize in the same class as the grand champion and reserve grand champion bulls at Chicago.

To establish the Polled Shorthorn breed, breeders in foreign countries must look to North America for correct seed stock. That the eyes of breeders in far away countries are focused on Tulleevin Farms was indicated when the two great bulls pictured on this page were purchased to head great herds in New Zealand. That they will make history for the breed in that great cattle country is certain because they were pronounced by top judges as perfect in type and each is by a famous International grand champion bull. The get and service of these same noted sires is the feature of this sale.

Left — **S & G Prince Charles x.** This son of the International grand champion S & G Admiration x was purchased in the first annual Tulleevin Sale at \$3,000 by Dalgety & Co. as agents for W. H. Brown, Weldon Downs, North Canterbury, New Zealand. An article on the opposite page outlines his show record and the satisfaction of his new owners.

2. The Tulleevin Herd is TB accredited.
3. The Tulleevin Herd is one of the world's largest and surpasses in strength the world's greatest.
4. Tulleevin Farms guarantee that every animal in this sale will prove a breeder regardless of age.

**T F Butterfly Queen x** by L F Fascination x, was the first prize junior calf at the 1958 International Live Stock Show for Tulleevin Farms. She topped a class of fifteen head. She will be our junior yearling show heifer for 1959.

**Tulleevin Countess A-1 x** (not selling). She was the first prize junior yearling at the 1958 International, grand champion at Memphis, reserve champion at the Ohio and New York State Fairs and reserve junior champion at Louisville. Sire, S & G Admiration x.

## AWARDS THAT PROVIDE POSITIVE PROOF

A few of the sensational winnings of calves sired by **L F Fascination x** are listed in the adjoining column. They provide proof — positive proof — that this famous champion is a breed improver. To those breeders who have high aims, to those who want to combine polled heads with perfectly balanced bodies, short legs and the ability to put on a thick covering of smooth flesh, we recommend the blood of this famous champion and sire of champions.

**Eureka Fascination x** — Grand champion bull 1957 Ohio and Indiana State Fairs. Now in service at Home Again Farms, Virginia.

**L F Fashion x** — Reserve grand champion bull 1956 International. Now in service at Leemon Stock Farms, Illinois.

**L F Lavender Lady x** — Reserve grand champion female 1957 International. Now in the Tulleevin herd.

**Eureka Fascination 3d x** — Grand champion bull 1958 Pennsylvania Live Stock Exposition. Owned by Herbert Weber, Ohio.

**L F Fascinate x** — Grand champion bull 1957 New York State Fair. Now owned by Dysart Bros., New Zealand.

**L F Red Lavender x** — Grand champion sale female 1957 International. Now owned by Brookwood Farms, New York.

**Eureka Lady Fascination x** — Grand champion female 1957 Ohio State Fair. Now owned by Michigan State University.

**Eureka Lady Amelia x** — Grand champion 1958 Michigan State Fair. Owned by Herbert Weber, Ohio.

**The blood of L F Fascination x will be available in liberal quantities in this sale**

**L F Red Lavender x**, grand champion sale female and top selling polled female at the 1957 International Congress sale. She was sired by L F Fascination x, exhibited and consigned by Tulleevin Farms. She was purchased at \$1,300 by Brookwood Farm, Westfield, New York. Earlier in the season she won reserve championships at the Ohio State Fair, the Pennsylvania Livestock Exhibition and reserve junior championship at the New York State Fair.

**Eureka Fascination 3rd x** by L F Fascination x — Was the first prize junior bull calf and reserve junior champion at the 1956 International for Herbert Weber and Sons, Edgerton, Ohio and was also a member of the first prize pair of bulls and second prize get-of-sire group.

**Where have  
you seen  
more quality,  
greater  
uniformity?**

Since the Tulleevin Herd was formed by the consolidation or purchase of several herds, a good many of the blue and purple winners pictured on these pages were not owned by Tulleevin at the time they were exhibited. We want to give due credit to the winnings of Landen Farm, Herbert Weber, and South and Gallaher. They were nearly all by grand champion sires that are now our complete property but the credit for feeding and showing these prize winners belongs elsewhere.

**Eureka Fascination x** — Undeafated junior yearling bull for Herbert Weber and Sons in 1956 including the International Livestock Show. Earlier he had been junior and grand champion at the Indiana and Ohio State Fairs. He is now owned by Home Again Farms, Franklin, Virginia.

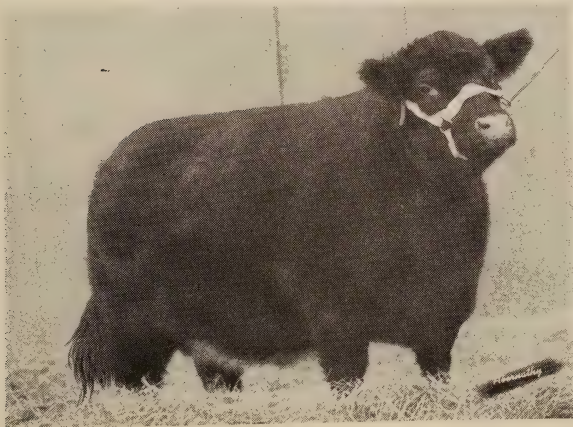

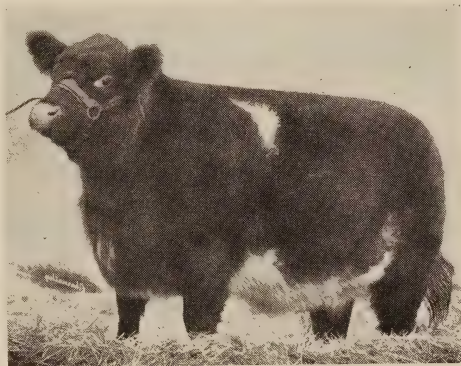

**As famous

**L F Fashion x** by L F Fascination x. Early in the 1956 season Chuck Leemon decided he was what he wanted at Leemon Stock Farm and he got an option on him. His judgment was perfect because the bull was named junior and reserve grand champion, 1956 International. Exhibited by Landen Farms.

**Eureka Lady Amelia** — First prize summer yearling and reserve junior champion female at the 1957 International for Herbert Weber & Sons, Edgerton, Ohio. Sire, L F Fascination x.

(Left) **L F Lavender Lady x** -- First prize senior yearling heifer, senior and reserve grand champion Polled Short-horn female at the 1957 International Livestock Exhibition. **L F FASCINATION x** — He won the International grand championship in 1954 and his calves have been winning top honors each year since. At the 1956 International, his sons and daughters won seven first prizes, three second prizes, a junior and reserve grand championship and a reserve junior championship. No grand champion has a more sensational record in the string of champions. At the 1957 International, a daughter was grand champion sale female and top selling polled female. Another daughter was senior and reserve grand champion of the open show while still another daughter was reserve junior champion. At the 1958 International, daughters won first prizes in the junior yearling and junior calf classes. No grand champion has made a more sensational record in the string of blue and purple ribbon winners.

Greene's interest in him as well as his sons and daughters from the Greendale Herd. Several of them are listed in this sale and they provide convincing proof that L F Ohio Senator x is one of the top sires of the day. He combines the best blood of the old world with such famous polled sires as Collynie Nugget 5th x, Lynnwood Nugget x and Collynie Monarch x.

The second prize get-of-sire at the 1956 International were these four good headed reds exhibited by Herbert Weber and Sons, Edgerton, Ohio. These are by L F Fascination x, the 1954 International grand champion bull.

Heading the three bull group at the 1956 International were Eureka Fascination 3rd x, Eureka Fascination 2nd x and Ohio Fascination x — shown by Herbert Weber & Sons. All were by L F Fascination x.

**TULLEEVIN BUCKAROO x** — A full brother to this bull sold in our 1958 sale to Franklin Heltman, Jenera, Ohio. Every animal in his pedigree is polled. He was the good summer yearling bull we showed this year. He has an excellent rate of gain. He could very easily be the most valuable bull from the herd bull point of view that we have ever sold. Especially valuable to the owner of good horned heifers who is interested in raising polled cattle. We believe he will sire the kind of calves we all strive to raise. Weight 1385 lbs. **TULLEEVIN CAPTIVE x** — This is the youngest bull in the sale and is not highly fitted but should develop into a stock bull that you would be proud to own.

This picture provides proof that buyers got a lot for their money in the first annual Tulleevin Sale held a year ago. These four beautiful heifers, all daughters of International champions, sold as follows: **Tulleevin Victoria x**, purchased by John Cottell, Mason, Ohio, at \$300; **Tulleevin Astrid x**, purchased by C. E. McCoy, Lafayette, Indiana, at \$300; **Tulleevin Rosewood Rose x**, purchased by D. M. Weekley, New London, Ohio, at \$300; and **Tulleevin Missie AD x**, purchased by Wilmer Good & Son, Mulberry, Indiana, at \$350. Why not join the crowd at Tulleevin Farms on March 21st?

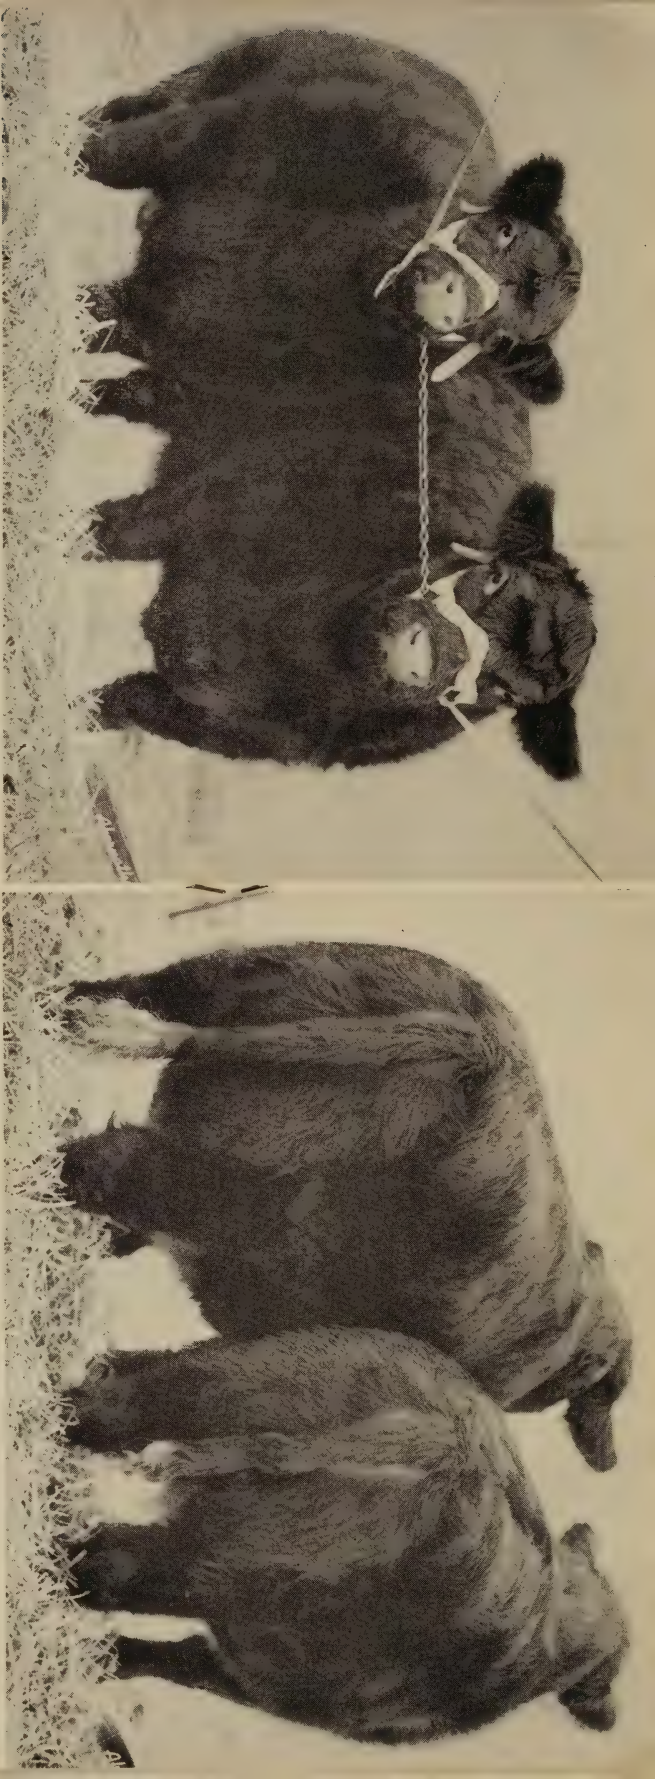

## The females - -

Please bear in mind that although the Association guarantee places no guarantee for heifers under 14 months of age, Tulleevin is more liberal. They agree to guarantee every female in the sale to be a breeder regardless of age at the time of sale.

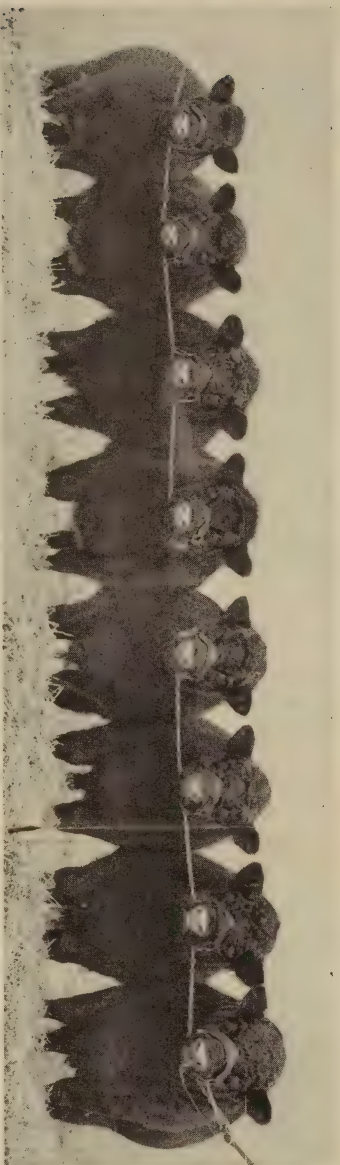

Also bear in mind that the Tulleevin Herd is Bang's Certified (No. 15853) and T. B. Accredited (No. 507385).

The 25 heifers in this sale are all rich reds. There are no broken colors or light roans. 21 of them are either descended from L F Fascination x or S & G Admiration x or bred to L F Fascination x and there are four fine open daughters of L F Ohio's Senator x. Of the 10 cows, nine are descended from or bred to L F Fascination x or S & G Admiration x.

Here are two views of the first prize pair of females at the 1957 International, both exhibited by Tulleevin Farms and both sired by the 1954 International grand champion, L F Fascination x. At the left is L F Red Lavender x, grand champion sale female, purchased by Brookwood Farms, Westfield, New York, at \$1,300, top female price. At the right is L F Fascination x, reserve grand champion of the open show.

Left: This picture also appears on the cover of this catalog. These eight animals were all sired by our herd bull L F Fascination, the 1954 International grand champion. At the 1956 International members of this group won seven first prizes, three second prizes, a junior and reserve grand championship and a reserve junior championship. Several of these animals are pictured singly elsewhere in this catalog because they went on to even higher triumphs in 1957. Other L F Fascination x calves, born later, have been top winners at leading shows in 1957 and 1958.

The many pictures in this catalog are a clear indication that Tulleevin Polled Shorthorns are of the type and quality that will carry the breed forward. To insure progress and premium prices for future productions, investments are safe only if each foundation animal is backed by the correct combination of **individuality and pedigree**. Of the 18 bulls, 25 heifers and 10 cows selling in this sale, 51 are all either descended from or carrying the service of two famous International grand champions, L F Fascination x and S & G Admiration x and two sons of the Perth Supreme Champion Pitodrie Upright, namely, L F Ohio Senator x and Upright Leader x, an International reserve grand champion. You may buy them with perfect confidence.

(Left) **L F Evergreen x** by Upright Goods x, first prize junior yearling heifer 1954 International and a member of the undefeated pair of yearlings. She is the dam of Lot 19 in this sale.

(Right) **Tulleevin Evergreen x** will sell in this sale as Lot 19.

**REDMAN'S AUTUMN ROSE 23RD x** — Bred 11/6/58 to L F Fascination x.

Redman Farms of Zanesville, Ohio, have been consistent producers of good Polled Shorthorn cattle for many years. Their offerings in the Ohio State Polled Shorthorn Association Shows and Sales have regularly been at or near the top of the class in the shows and have had buyer acceptance in the sales. The Redman herd has been and is certified Brucellosis free and accredited for T. B. When it became necessary to reduce the herd temporarily because Mr. Redman's son-in-law, Jerry Fitts, was being called to military service, Tulleevin was given the opportunity to purchase the pick of the 1957 calf crop. We selected 7 heifers to be bred to L F Fascination x. These heifers came to Tulleevin last summer and we know them to be sound and of a quality that can fit into any herd. Five of these heifers are being offered in our sale, safe in calf to L F Fascination x. We can recommend them to you wholeheartedly.

**Oakwood Prefix x**, a son of Oakwood Predictor x by Commander in Chief x, out of a daughter of Oakwood Leader x. Two of his daughters will sell in this sale. See Lots 21 and 22.

**WILLOW LEE BEAUTY x** — Sired by a half brother to the International Grand Champion, Broadway Hallmark, with the best of imported Scotch blood on her dam's side, this heifer was purchased to go in our herd. We felt that bred to L F Fascination x she would be the kind of brood cow prospect you would like and appreciate. What a calf she should have! Bred 10/9/58 to L F Fascination x.

These four beauties will sell in this sale. From left to right they are: **Greenedale Rosita** (Lot 38); **Tulleevin Ina** (Lot 41); **Tulleevin Mayflower 2nd** (Lot 27) and **Greenedale Clara** (Lot 39).

**TULLEEVIN FANCY LADY 2ND x** — A full sister was one of the top heifers in the 1956 Oakwood Customers' Sale. Another full sister sold in our 1958 Sale to John Cottell, Mason, Ohio. This is one of the last Admiration heifers that will be offered for sale as we are retaining the rest of them in our herd. Sells open. Calfhood vacc.

The owners of Tulleevin Farms believe that every well balanced sale offering should contain a few cows, bred or with calves at foot, for the benefit of those buyers who seek quick dividends. Accordingly, we have gone into the herd deeply to supply ten of them. We can spare these cows only because we have retained daughters of all of them. They are sound and reliable in every way, but are offered in moderate flesh, hence there are likely to be bargains. Pedigrees of the ten cows will be found on following pages.

**Bar L Red Butterfly x**, grand champion female, 1956 National Polled Shorthorn Congress. She was purchased at \$1,300 by Avenel Farm. She is the dam of Lot 43 in this sale.

**Almahurst Bean Buster**, greatest son of the Internationally famous Beaufort Bulldozer. The bull calf selling at foot with Lot 43 was sired by him.

# Terms and Conditions . . .

**GUARANTEE:** The Tulleevin Herd is certified for Bang's Disease and fully accredited for Tuberculosis. All cattle will be sold under the standard guarantee adopted by the American Shorthorn Breeders' Association, copy of which appears elsewhere in this catalog. As an added incentive, Tulleevin Farms agrees to guarantee every animal in this sale to be a breeder regardless of age at the time of sale.

Shipment will be made as soon as possible after the sale. Cattle will be at owner's risk when sold but every care and attention will be given until shipment is made. To avoid confusion, at the time of settlement, hand shipping instructions to clerk, also information as to whom pedigree should be transferred.

**LIABILITY:** The above guarantee will constitute a contract between Tulleevin Farms and the buyer of each lot. Although every precaution will be exercised to protect the safety and comfort of guests at the sale, neither Tulleevin Farms nor any of their employees, nor auctioneers, nor clerks, nor sale manager can assume any liability for accidents.

**TERMS:** The terms of this sale are cash. All settlements must be made with the clerk before cattle are moved. Health certificates will be issued on sale day by a representative from the office of the Ohio State Veterinarian.

# Standard Guarantee . . .

ENDORSED BY

## **AMERICAN SHORTHORN BREEDERS' ASSOCIATION**

1. Proper care must be given by purchaser to protect breeding qualities and health of guaranteed animals.
2. All bulls are guaranteed breeders, provided they are not allowed to serve when under 14 months of age, or not allowed to run with the herd when under 20 months of age. In case of failure of a bull to be a breeder notice shall be given to the seller within six months of date of purchase, or by the time the bull is 20 months of age, if purchased under 14 months of age.
3. With the exception of heifers sold under 14 months of age, all females are guaranteed breeders. Heifers under two years of age shall not be served by a heavy or old bull. Cows or heifers sold as bred, or safe in calf, not proving to be in calf must be reported to the seller within three months after date of sale. Females over 14 months of age sold open, not settling within six months after date of sale, shall be promptly reported to the seller.
4. When an animal fails to comply with the above guarantee the seller has the option of substituting an animal of equal value to the satisfaction of the purchaser, or of having the animal returned for a trial for a period not to exceed six months. The expense of freight in such case is to be paid by the seller. If the animal is then proved to be a breeder beyond doubt it shall be returned to the purchaser at his expense. In case of dispute the return of the full purchase price, without interest, to the buyer will be considered full settlement and satisfaction of all claims. No charge for feed or maintenance shall be made by either buyer or seller. Salvage shall go to the seller. It shall be understood that the same guarantee given for the first animal shall likewise apply to any animal later substituted.
5. Certificates of registry and transfer will be furnished with each animal sold. A signed pedigree application for unborn calves should be furnished with bred females, showing names and record numbers of sire and dam, as well as the service date.
6. Shipment will be made as soon as possible after the close of the sale, but at purchaser's risk of loss or injury after animal is bid off.

**Calfhood vaccination is practiced regularly at Tulleevin Farms and every effort is made to guard the health of the animal. Each animal in this sale has complied with the health regulations of the State of Ohio and health certificates on sale day will be issued by an authorized representative of the Ohio State Veterinary Department.**
